

composition: meltblown polypropylene (1-ply)

part number: P1WM3848-100

dimensions: 38 x 48 cm / 15 x 19"

grade: medium

packaging: 100

pallet quantity: 36

package weight: 4.05 kg / 9 lbs

color: white

absorption: 87.1 liters / 23 gallons

fluids absorbed: OIL-SELECT (oil, gasoline, diesel, etc) and repels water

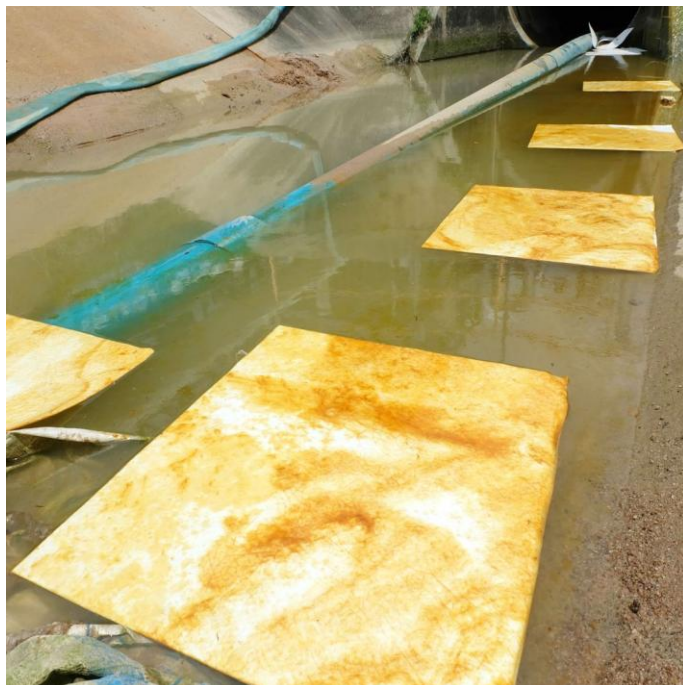

product information and usage:

Standard meltblown polypropylene sorbents are great for absorbing hydrocarbons off of the surface of water. The open fiber construction quickly draws oil into the web. These products are generally used in conjunction with absorbent booms.

features:

- great for absorbing oil off of water
- open fiber construction for high viscosity fluids
- super fast absorbing material
- pushes back rainwater under doorways
- available in both pads and rolls
- absorbs hydrocarbons and repels water
- not perforated or bonded

*We do not recommend disposal methods. Consult with local, state, and federal authorities, as well as licensed waste haulers for specific options. Methods include landfill, incineration, and recycling (centrifuge, washing, and/or wringing).*

*Review our chemical compatibility chart, which is located in our website footer. For your safety, and if you are uncertain of possible chemical reactions or absorption non-performance, we recommend that you conduct compatibility and absorption testing of your chemicals with samples of these products. The compatibility chart is simply a guide.*
