product information and usage:

Spunbond polypropylene membranes are smooth and abrasion-resistant. They withstand wear and tear, and they are great for wiping down greasy tools and equipment. Perforated for waste minimization, tear off what you need for your particular application.

features:

- smooth and abrasion-resistant
- durable outer membrane
- will not lint or shed
- perfect for wiping tools and machine parts
- available in both pads and rolls
- absorbs oils, water, coolants & solvents
- perforated for waste minimization

We do not recommend disposal methods. Consult with local, state, and federal authorities, as well as licensed waste haulers for specific options. Methods include landfill, incineration, and recycling (centrifuge, washing, and/or wringing).

Review our chemical compatibility chart, which is located in our website footer. For your safety, and if you are uncertain of possible chemical reactions or absorption non-performance, we recommend that you conduct compatibility and absorption testing of your chemicals with samples of these products. The compatibility chart is simply a guide.
